TREAT
LIST 2015

CONGRATULATIONS!

ELLE is pleased to announce that

THE LUXE HOUSE

Royal Meridien Foot and Back Therapy

is a winner in the first-ever ELLE Beauty Treat List 2015!

The ELLE BEAUTY TREAT LIST is an annual editorial special that recognises the best in aesthetics treatments, doctor skincare brands and spa treatments including massage, facial, hair and nail therapies. As we believe beauty is more than skin deep, we have also included the best wellness and health trends.

For inclusion in the ELLE Beauty Treat List — which will run in the February 2015 issue — all treatments, products and procedures have been rigorously tested by ELLE's editorial team. A certificate from ELLE will be sent to you shortly after.

Thank you for your support in ELLE, and we look forward to a continuing close partnership with your brand.

Best wishes,

Sharon Lim
