The Luxe Sculpting Therapy	100 mins	**\$298	\$438	\$3888
		\$318.86 w/GST	\$468.66 w/GST	\$4160.16 w/GST

Focuses on neck, shoulder, scapula, waistline, buttocks, thighs and tummy. Experienced a younger body and soul, coupled with the benefits of lifting, toning, contouring and relation.

Our signature sculpting therapy uses specially blended oils, combined with our well crafted massage techniques, as a detox booster to the body. Not only it enhances the process of detoxification, it also works together with heat to get rid of the harmful blockages in the body and stimulates fat burning to restore the body's balance. It promotes the much needed circulation of blood and unblocks the meridian path ways. The use of sculpting oil helps to regulate the body's function and metabolism, promoting wholesome wellness and a radiant, soft and beautiful skin. In addition, peptide is used to supply protein to the body leading to the improvement in the skin's elasticity and restoration to a healthy state.

* 10-session program is recommended to obtain optimized results and benefits.

FACIAL SERVICE MENU **NEW!**

Royal Gua Sha Facial 90 mins	Member (Credits) **288	Non-Member (SGD) \$328	12 Sessions (SGD) \$2880
		\$350.96 w/GST	\$3081.60 w/GST

This treatment uses Gua Sha technique similar to acupuncture except that it is done without using intrusive needles. The scraping motion helps break up blood stagnation, releasing toxins by promoting qi flow and lymph drainage. The toxins are then expelled thereby enhancing nutrient supply to the facial area. This deeply purifying facial massage won't cause any bruising or redness. The skin becomes firmer and plumper with more elasticity, allowing the face to regain its youthful contours.

Imperial Gua Sha Facial 150 mins	Member (Credits) **388	Non-Member (SGD) \$428	12 Sessions (SGD) \$3880
		\$457.96 w/GST	\$4151.60 w/GST

This treatment uses Gua Sha techniques that promotes skin rejuvenation from the inside out. Gua Sha is known to be effective in removing dark eye circle, puffy eye bag, lighten pigmentation and sharpen the face. This facial treatment utilizes state of the art LED technology from the United States that helps to improve skin tone, tighten pores, reduce signs of aging and effectively increase collagen production to reveal younger, healthier skin to stimulate the skin and boost collagen production for a naturally you.
